

Annual sports 2020

Annual sports and games competition was held in the college on 28th and 29th of Jan 2020. A total of 17 events were conducted on these two days. The Students enthusiastically took part in the games and sports events. Director Dr. Prabhakara and Principal Basappa inaugurated the sports and games competition on 28th Jan .

Inaugurating the competition the Director said that the quality of sportsmanship is important in every individual. These events would help students to inculcate that quality in themselves. He also said that participation is important and when one participates one should try to win. Principal told student to perform their best and maintain spirit of games and sports.

Competitions in Volleyball for boys , throw ball for girls , shuttle badminton and carom were held on 28th jan 2020. On the next day competitions in Shot put, discus throw, 1500m running, 4x100 relay and cricket were held

Anil speaking in the concluding hour of the Annual Sports and Games Competition told students to take home happy and memorable things from these days and build in them the qualities of cooperation and collaboration. Junaid ,final Bcom, thanked sports committee and staff for conducting a wonderful games and sports competition in the college.

Sports Committee convener Anil and Physical Education Director Harishgowda were in charge of conducting the games and sports events.

Study Abroad Program - Opportunities in Japan

The Placement Cell of Simha Subbamaahalakshmi First Grade College had organized an interaction session with Ms Divyashree, brand ambassador, Japan Habba and Mr Sharath, Liaison officer, Indo Japan Chamber of commerce. They provided information about avenues for higher education overseas , job opportunities and business collaborations . They also gave a brief insight into the Japanese culture.

The interaction session was very lively with reference to Japan . Students were inquisitive about Japan. They asked questions regarding eligibility criteria to get scholarships , visa formalities and qualifications necessary to secure jobs in Japanese Companies.

Director Dr K V Prabhakara in his concluding remarks said that the interaction session was the best way to exchange ideas and build international understanding and goodwill.

The guests also briefed about the forthcoming fest – “Japan Habba.”

Japan Habba is an Indo- Japanese cultural exchange event held annually, it is the biggest celebration of Japanese culture in India. It seeks to bring together an audience of enthusiastic people from academia and industry, interested in Indo-Japan collaboration
